Vote: Motion approved by majority 'yes' votes

Resolution: <u>5 non-athletes + 3 athletes will serve Governance Committee</u>

committee will nominate a chair.

New Business

Qualifying standards for championship meets (Tech Planning)

**Motion (Shaheen): to approve the proof of times document as written. (Gillette second)

Discussion: Times swum in provisional meets can be used for qualifying for GSI Champs

meets, but will not go into swims. Some discussion on waiving fines ensued. Myers asked where these times are going? Hamborg answered this was brought up in the task force, and he hoped that people would use the honor system. Jon Foggin asked if this was under the assumption that these times will be swum in a

provisional sanctioned meet. Saltzman said times would be sent to tech planning.

Vote: Motion approved by majority 'yes' votes

Resolution: Proof of times document approved - document attached to minutes

[Note: Coaches committee and covid-19 task force will collect and distribute relevant COVID-19 information and restarting procedures to teams]

Proposed Bylaw Change - 6.6.2

Motion (Caldwell): to accept proposed bylaw change to 6.6.2 (Krug second)

Discussion: Finance vice-chair will only be elected for 1 year.

[Secretary's Note - bylaw changes must go to USAS for ratification.]

Vote: Motion approved by majority 'yes' votes

Resolution: Admin vice-chair, treasurer, age group chair elected in even years

General chair, Finance vice-chair, secretary, senior chair elected in odd years

National Travel Reimbursement

Motion (Shaheen): to waive GSI policy 9.3 and not pay athletes national travel from now through

September 2021 (Gillette second)

Discussion: Anyone attending 2021 Olympic Trials will not be reimbursed. Copeland clarified that

this is going toward the COVID-19 relief fund, and also anticipates LSC losing money

by reducing fees by \$10/athlete based on the next proposal. It was clarified that if this motion is adopted, the BOD & HOD could add reimbursement back in at a later date. Discussion came up as to whether this applies to athletes and non-athletes.

Saltzman stated that reserves are tied to the market, so dipping into reserves may

have a different impact.

Called to question

Vote: Motion failed by majority 'no' votes

Resolution: Motion not approved

Motion (Bethel): To reconsider previous motion regarding GSI Policy 9.3 (S.Thompson second)

Vote: Motion approved by majority 'yes' votes

Resolution: Previous motion regarding GSI policy 9.3 is reconsidered

Motion to amend (Bethel): to strike word 'athlete' from previous motion (motion seconded)

Discussion: None

Vote: Motion approved by majority 'yes' votes

Amended motion: to waive GSI policy 9.3 and not pay athletes national travel from now through

September 2021

Vote: Motion approved by majority 'yes' votes

LSC Registration Fees:

Motion (Copeland): to apply a discount of \$10 to the LSC full athlete member fee for the 2020-2021

registration year. The effective LSC portion of the registration fee will be \$8. The LSC fee for Seasonal, Flex and non-athlete memberships will remain as they are for

<u>2019-2020</u> (Ferreira second)

Discussion: Question came up regarding sanctions-Copeland said there would be a budget

presented in September regarding reduced sanction fees, and the finance

committee will work with the BOD on coming up with the right equation. Questions arose on how this savings is passed on; clarification was made for how much is going onto GSI and how much is going to USAS. Online registration is scheduled to

begin in 2021-2022, and will include online payment.

Called to question: No objection

Vote: Motion approved by majority 'yes' votes

Resolution: LSC full athlete member fee reduced by \$10 for 2020-21 registration year.

Date for next HOD meeting:

Motion (Caldwell): To hold next HOD meeting on Saturday, Aug 29 (Wrighton second)

Discussion: Question was asked if this would be virtual or in-person. Concerns were raised

regarding the short-course calendar being passed, along with USAS regional meets being held in mid to late August. This is an SAT date; request made to

have it in the afternoon.

Vote: Motion approved by majority 'yes' votes

Resolution: Fall HOD set for August 29, 2020

Potter reviewed the revised bylaws and procedures on how to pull an item for discussion. Clarification was made that we will discuss items in yellow and ask the HOD for items that needs pulled. Other items for discussion may be brought up later.

Potter read off the highlighted items that the BOD decided on to be pulled for discussion. Those items included bylaws: 3.1, 3.2.2, 4.1, 4.1.4, 5.1, 5.2, 5.4.1, 6.2.2, 6.11.3, 7.4.2.B, 7.4.4B, 7.4.9, 7.4.10, 7.4.11, 13.2.2

Move to table (Wrighton)
Resolution: Motion tabled.

Jon Foggin discussed group member presentation, saying how these numbers vary in importance depending if our current voting allocation is conducted. Jon Foggin asked if we're going to keep the voting allocation system we currently based on team size to membership in the HOD, as this is currently in our bylaws? Discussion ensued on what a group member is and where to find it. Copeland pointed out where to find this definition in the USAS bylaws, referencing 5.2.3 in USAS bylaws.

Motion (Convery): Amend the article to include the voting ratio for group members as currently outlined in the GSI bylaws. (Motion seconded) [Clarification was made that this is in 4.1.1, and group member definition was added, striking italicized portion]

Discussion: Convery referenced article 14.2.9 for group member definition. Copeland said this should include "as defined in USAS bylaws." Jon Foggin clarified that this brings back the language from our old bylaws. Copeland said that USAS is trying not to have conflicting language between themselves and member LSC's. Copeland said in regards to the edits made that this will work.

Schreer asked what the specific change is on 4.1 and why it was pulled. A.Hamborg clarified that in 4.1 was the original item pulled, saying to re-insert the old language for group member representation. Convery spoke on adding group member definition language as defined by USAS to the end of the document. Potter made the edits on the screen using GSI current HOD formula for representation.

Called to question; All in favor of leaving 4.1 as it is presented on screen

Pulled by A.Hamborg but then decided this was not necessary

commented that this could be used negatively.

Called to question

[Bylaw 5.12]

Motion (A.Hamborg): to remove all of the italicized language (Myers second)

Discussion: Joe DeCarlo asked about how this relates to the quorum. Hamborg said that this says the BOD could override anything passed by the HOD with a \(^2_3\) vote. Potter said that the intent is to establish notice and the $\frac{2}{3}$ is hard. Hamborg said the BOD can overturn anything by the HOD. Convery said this can occur with anything besides elections, bylaw changes, and budget, and thinks it should stay.

Ferreira asked if the term limits apply to the coach reps, and it was determined they are, just elected by a different body. Ferreia suggest to go back to provision A. Ferreira referred to note 29, saying LSC's may substitute this language. Potter read provision A from the bylaw options

Vote: Unanimous approval

Resolution: Potter revised the language on the screen for it to read "2 coach reps shall be elected in alternating years for 2-year terms or until a successor is elected"

[Bylaw 6.2.3]

Potter made revisions to this bylaw on the screen as directed by HOD, insinuating from a discussion led by Convery and A.Hamborg. Discussion ensued on what this means, what needs to be stricken from the bylaws such as the listed examples. Hamborg and Convery worked out which coordinators and chairs need listed under points B & C respectively. Hamborg clairified that examples 1&2 need stricken. Convery clarified that everything appears correct. Non-athetes elected by HOD, athletes elected by athletes. Potter called the revisions question but there was never a motion made.

Everyone in the room agreed with the revisions; there were no dissentions.

Motion (Wrighton): to strike the line after 'serve', "the remainder of the office or" (Ferreira second)

Discussion: Clarification is made that the GC can appoint someone to fill the vacancy until the next meeting, letting the appointed person serve out the remainder of the term. Wrighton says we have to take action. Question about how this is not italicized and may come back after submitting to USAS.

Voice vote occurred with unclear results Wrighton asked for Revote due to confusion

Discussion: Convery said this only pertains to finances, contracts, etc. Copeland clarified that this is not limited only to finances. Convery said he stands corrected. More discussion ensued on what this actually means and what it means going forward. Joe DeCarlo said in the spirit of the language, it's fine the way it's written.

Amendment (Convery): An officer may delegate any portion of their duties to paid staff of GSI as long as they do not violate the provision of the bylaws and has the consent of the BOD.

LSC modification to proof of times requirements for GA State Championships

Motion: Any meet that satisfies the minimum requirements outlined below will be accepted as proof of time for GA Swimming Short Course LSC Championships for both Senior and Age Group Championships.

The following will be considered minimum requirements for a swim meet whose times will be used to qualify for LSC Championships in the 2020-2021 Short Course season:

- Two officials must be present at the meet (any current USA Swimming Official will qualify)
- 2. If the pool is not certified, the length of the pool must be less than half an inch short of the official course length.
- 3. Only one timer per lane will be required (either automatic/touchpad, or stopwatch), and athletes can be used as lane timers, as needed.
- 4. All safety requirements must be met (pool depth, backstroke flags for backstroke and IM events, etc).

These exceptions only apply to qualification for GA Swimming Short Course LSC Championships*. This exception is valid for meets held between July 1, 2020 (or the earliest start date allowed by USA Swimming if their moratorium on sanctioning is extended beyond June 30th) and December 31st, 2020. The exception period will be reevaluated for a possible extension prior to the expiration date.

^{*}Times earned under these circumstances will not be qualified for entry into the SWIMS database and will not qualify for meets requiring proof of time outside of the Georgia Swimming LSC or above the LSC Championship level.
